A Welcome Visitor

By Kristin Isberg
VBS Director
Evangelical Fellowship Church
Elburn, IL.

Meet the Children of Mission:Chad

Africa - its music, culture, and beauty came for a visit in July of 2005 as Evangelical Fellowship Church in Elburn presented Safari Adventure VBS.

Roughly 60 children, ages 5-10, attended the five day event.

With the help of 45+ student and adult volunteers, local children experienced the adventure that God calls us to - that with all we have we need to be a giving people. Mission:Chad was close to our hearts throughout the week, as children brought in pennies, nickels, and dimes to give to those who need it much more.

Our special guest Luc Madjingaye of Chad gave the children someone to connect to. In his music and dance, we became excited by Africa and wanted to learn more.

Africa came for a visit and remains in our hearts forever.

Nouba Madjingaye! God is so good!
