A Message from the President

Dear Mission:Chad Friends,

A new quarter is over and we are so thankful for the donations God provided through His people! It is the first time the 40 orphans we support have been fully provided for by the donations of MC supporters! Praise God!

Meet the Children of Mission:Chad

Now we look forward for the building of the Moundou Center, a facility which will be owned and operated by Christian Society for Children and Development in Chad (SCPEDT, in French) that we work with in Chad. This center is so much needed to provide a congregating place for the children, as well as to provide a place for emergency housing for the most needy orphans. It will also be a center where the children can receive both academic and vocational training for self-support.

In this past year, we have teamed up with another organization, *Advancing Native Missions (ANM)*, which shares Mission: Chad's vision of providing support to the church of Chad. We thank God for them, and the support for the orphans and missionaries they have already provided.

We praise God for His continual provision for ESTES Bible College, and trust that we'll continue coming alongside the local church in supporting the students and the professors in their Biblical training for God's glory. Please pray that Chad will someday respond like David in Psalm 30:11:

"You have turned for me my mourning into dancing; you have loosed my sackcloth and clothed me with gladness"

Pray that God will provide more support for orphans, the Bible College, and missionaries that are trained and waiting to go to proclaim Christ to the Muslim North.

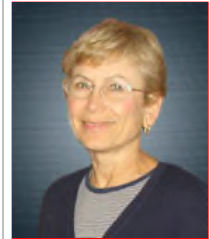

May God bless you,

Vivi Wickberg
